SUPPLEMENTARY INFORMATION: The National Clinical Care Commission Act (P.L. 115-80) requires the HHS Secretary to establish the National Clinical Care Commission. The Commission consists of representatives of specific federal agencies and non-federal individuals and entities who represent diverse disciplines and views. The Commission will evaluate and make recommendations to the HHS Secretary and Congress regarding improvements to the coordination and leveraging of federal programs related to awareness and clinical care for complex metabolic or autoimmune diseases that result from issues related to insulin that represent a significant disease burden in the United States, which may include complications due to such diseases. During this fifth meeting, the Commission will hear from informants from selected federal agencies about programs related to diabetes prevention, treatment and discuss potential topics for the Commission's final report. The final meeting agenda will be available prior to the meeting at <https://health.gov/hcq/national-clinical-care-commission.asp>.

Public Participation at Meeting: The Commission invites public comment on issues related to the Commission's charge either in-person at the meeting or in writing. In-person attendees who plan to provide oral comments at the Commission meeting during a designated time must submit their comments to OHQ@hhs.gov on or before November 15, 2019 and must check-in on-site. To accommodate as many individuals as possible, the time for each comment will be limited to

three minutes. If more requests are received than can be accommodated, speakers will be randomly selected. The nature of the comments will not be considered in making this selection.

Written comments are welcome throughout the entire development process of the Commission's recommendation and may be emailed to OHQ@hhs.gov, or by mail to the following address: Public Commentary, National Clinical Care Commission, 1101 Wootton Parkway, Suite 420, Rockville, MD 20852. Written comments should not exceed three pages in length. Individuals who need special assistance, such as sign language interpretation or other reasonable accommodations, should indicate the special accommodation when registering online or by notifying Jennifer Gillissen at jennifer.gillissen@kauffmaninc.com by November 15.

Authority: The National Clinical Care Commission is required under the National Clinical Care Commission Act (Public Law 115-80). The Commission is governed by provisions of the Federal Advisory Committee Act (FACA), Public Law 92-463, as amended (5 U.S.C., App.) which sets forth standards for the formation and use of federal advisory committees.

DATED: November 5, 2019.

Donald Wright,

Deputy Assistant Secretary for Health,

Disease Prevention and Health Promotion.
